

Come and party with us!

No Fuss! No Mess!

It's Party Headquarters At Wave Bowl!

Kids Parties are E-A-S-Y at Wave Bowl. Ideal for all ages, we have a package to suit you. No fuss, no hassles and everyone has fun at a bowling party.

Parties for the Littles

We have ramps, light balls and bumpers to ensure every ball they bowl will hit a pin! So mums and dads, there's no tears, just plenty of "high fives".

Do-It-Yourself Parties

New to Wave Bowl are our DIY style parties. These are an ideal option for the budget conscious. Your party table will be set up on the lanes. While you bowl, your food and drinks will be brought out to your lanes. The kids don't mess up, receiving all the trimmings, official party invitations, party bags, food, drinks & bowling fun with this package!

Hosted Parties

You're guaranteed our designated party area and an experienced party host with this package. Mums and dads can sit back and watch the kids have the time of their lives. No mess, no fuss!

Teenage X-Treme Parties

Wave Bowl's all new Extreme Glow Bowling offers an amazing bowling experience. Our huge drop down screens, new laser light show, and state-of-the-art sound system will get the party started. Extreme parties are available Friday/Saturday Nights from 5pm. So book your party with us and come check out what everyone is talking about!
