## Re-Enrolment Form 2021

Hi Oosh Families !

Thank you for choosing us as your 2021 out-of-school-hours-care service. We take your child's care and safety seriously and it is important that we keep records current. This form plays a large part of the enrolment process, along with supporting documentation i.e. transportation permission slips, asthma plans and formal assessments, so we thank you advance for providing these. On a final note, please don't hesitate to contact Jules (0408 024327) to arrange a meeting to discuss any needs you may have and a big thank you once again for placing your child/ren in our care. We look forward to another great year.

## Attention Families !

You are required to sign the following two (2) forms. We understand that some of you will NOT require BSC or ASC at this time but we still need these forms.

Here's why.

These forms are designed to cover the 2021 TRANSPORTATION LAWS for BSC/ASC.

By signing these forms, you will be able to continue to text/email/phone through your casual and permanent care needs for the 2021 calendar year.

You will also notice that the BSC and ASC are on separate forms. We have made these changes to incorporate the Transportation Laws.
